- ▶ Work in Progress board
- ▶ Quotations, job cards and invoices
- ▶ Comprehensive service records
- ▶ Workshop diary system
- ▶ Parts catalogue with VRM
- ▶ Tyre sales module
- ▶ Repair times and technical data
- ▶ Price and availability lookup
- ▶ Online parts ordering

Autowork Online is a web-based application for managing the business activities associated with a modern garage environment. Its comprehensive array of features controls all aspects of daily activity from the creation of quotations through to the printing of job cards and the production of invoices and service and MOT reminders. Autowork Online runs within a browser window, and so requires no installation or maintenance. All information is stored on secure servers and backed up on a daily basis.
